Dear Captain Ward,

The Collin County Constable's Office would like to request assistance from your agency in the form of in-car video cameras. Any surplus of in-car video cameras you have and would be willing to part with would greatly be appreciated. These cameras will assist this agency's traffic units to be in compliance with state law regarding racial profiling. We currently do not have any cameras in any of our traffic units. Please feel free to contact me or Deputy Cesare Venegoni for any questions or specific procedures in reference to these cameras.

Thank you,

  
Constable Johnny Todd
